

Dear St. Cecilia Community,

Our friend Paul Ringel was diagnosed with a Glioblastoma in 2018, which is a malignant tumor of the brain. Surgery was required in attempt to remove or reduce the size of the tumor, but during the surgery, Paul had a stroke. The complications resulting from the stroke is a condition called "hemiplegia", which results in paralysis of one side of his body. The challenges for Paul and his family are significant. This is where we all can make a difference for Paul and his family.

Some background on Paul's amazing family! Paul and Ginny have been part of the St. Cecilia community for many years. You have probably seen them running the food tent at parish festival. They are always ready to lend a hand whenever and wherever there is a need. They have three children who have all gone to St. Cecilia. Veronica, their firstborn, graduated from St. Cecilia in 2006 and Bishop Ready High School. Currently she is at Virginia Tech and has almost completed her PHD, focusing on cancer research. Brooke graduated in 2009 from St. Cecilia and also went to Bishop Ready High School. Brooke went to Ohio Dominican University where she played varsity soccer all four years, graduating with a major in marketing. Then there is Harrison. Harrison also went to St. Cecilia graduating from St. Cecilia 2010. In 7th grade Harrison was diagnosed with leukemia. He is a survivor in every sense of the word! He is currently in school at Columbus State working to transfer to Ohio State. This family exemplifies everything great about our St. Cecilia community.

In life many of us have witnessed the life changing power of prayer and community when we are faced with seemingly insurmountable challenges. We are asking the St. Cecilia community to help out this wonderful family in their time of need. We are having a benefit Diamond Heist Murder Mystery Dinner fundraiser on March 16th. During the evening, we will have a chance for you to win a Diamond necklace. We will also have a silent auction with many wonderful items to bid on as well as a 50/50 raffle.

Our Goal is to raise \$100,000 and it starts Here!
