 - a. Father asked us to review the Diocese report on re-opening the church for Mass. Liturgy committee will review procedures and discuss. We could still record and provide videos for review as we have currently done these past weeks
 - b. Father would like Pastoral Council to be in charge of reopening activities and Liturgy Committee's assistance in celebrating the masses and sacraments.
 - c. Father would like to find out interest in Liturgical ministries as well as parishioners interest in returning to Mass if available to us at the end of May.
 - d. There is some interest in holding another food drive the weekend of May 17th. The food pantry could definitely use the donations. Council determined we have the capacity to support the drive so decision to move forward with the food drive.
 - e. Confession sign-ups will be monitored weekly.

Next meeting is June 3, 2020.
