How much money can I accumulate toward my family's tuition or General Parish Fund by participating in SCRIP, is there a limit?

There is no limit; you could earn enough to cover your entire tuition or donate the amount to the General Parish Fund. Your earnings depend entirely on how active you are in supporting the SCRIP program. Each retailer gives reimbursements that range from 1% to 25%.

What does it cost me to participate?

There is a small \$10.00 fee per family that will be deducted from each account to cover the maintenance and shipping fees which run over a \$1,000.00 a year.

When can I place an order?

Every Monday of a full school week, due to turn around time we will not be ordering on short school weeks when there is no school on Fridays.

Who keeps track of my profits raised toward tuition?

The SCRIP coordinator uses a specially designed software program to keep track of your purchases. We receive monthly statements from the retailers to keep track of your reimbursements.

A status report will be sent home in March. The SCRIP coordinator can answer any questions you may have, Tonya Lancia, 614-878-5353 Parish Office or 614-506-1577 cell or tonyalancia@gmail.com.
