 - b. Discussion on how we can provide additional outreach we could do for parishioners that are home bound; how to involve school families that are not active or as active parishioners; how to expand the membership of the Parish Council to include more parishioners and build diversity.
 - c. Deacon Mark to share any vital information from the upcoming Communications meeting relevant to Strategic Planning.
 - d. Father Leo will forward the information about the October Mass counts to the council for review.
 - e. Jim will provide survey summaries for review and discussion prior to the next meeting.
4. New Business
 - a. Deacon Jack shared that the “prison pen pal” ministry will start recruiting and training from the Saint Vincent De Paul, Prison Ministry, and Parish Council for this ministry. A need for people to do outreach phone calls for the homebound will be underway as well.
5. Father’s Report
